Once Upon a Christmas at Courts...

Once upon a jolly Christmas time, in a place filled with twinkling lights, laughte and the smell of freshly baked cookies, there was a very special kitchen- hidden right inside a magical place called Courts.
But this wasn't just any kitchen... oh no! It was run by the Christmas Foodie Elves, who worked day and night to make the most scrumptious festive treats just for kids like you! They stirred hot cocoa with candy canes and sprinkled every dish with a pinch of Christmas cheer.
One snowy morning, they heard you were coming and that made them dance with joy! They started preparing a feast fit for Santa's helpers, reindeer riders and Christmas stars (whichever one you are today!).
So grab your menu, choose your favourites and let the festive feast begin!

And remember ...
every Christmas adventure ends with
a very merry sweet treat!
